though I suppose much more might
be Justly required on that account.

5. The first of these is the
 fact that the population of the
 country is increasing rapidly.
 This is due to a number of
 causes, including a high birth
 rate and a low death rate.
 The second cause is the
 fact that the country is
 becoming more and more
 industrialized. This is
 leading to a large increase
 in the number of people
 living in cities and towns.
 The third cause is the

Brethren, & Neighbours,

I find by an Attested Copy of your Votes, that on March 14th last, the Town voted that they would do something toward the defraying the charge of the Funeral of my lately Deceased Wife; and also that it was proposed & Voted to do it by way of Subscription. In consequence hereof, I have received Ninety Five Pounds, Ten Shillings, Old Tenor. Now for the respect herein shown to Her Memory, and the kindness expressed to me, I heartily thank the Town, in general, and the Subscribers & other Donors, in particular. So wishing that God would render unto you, even seven fold into your Bosoms, & enable me, as I am from time to time reaping your carnal things, to sow unto you Spiritual things, in such a manner, as that we may all, of the Spirit, reap Everlasting Life, I subscribe my Self
